## Charitable Giving Campaign 2011 – 2012

Dear Parents and Community Supporters of St. Monica School,

As we approach the end of the year, we are entering into the season of giving. During this time of the year, you may be considering making charitable gifts to various non-profit organizations. We would like to invite you to consider St. Monica School this year for your charitable gifting. St. Monica School is a §501(c)(3) non-profit organization and donations made to the school are tax deductible.

Currently, a portion of the school's annual operating income is met by fundraising activities. All funds raised from our Charitable Giving Campaign are used to enhance the school program, including technology and our supporting curriculum. Additionally, your generous contributions are especially beneficial in helping us to provide tuition assistance to our families in need during these difficult economic times.

### **In addition to one-time donations, please take into consideration the following ideas:**

#### Corporate Matching Gifts

Many businesses will match their employees' charitable contributions. With a Corporate Matching Gift, you can increase the impact of your support. Please ask your human resources department if they offer this benefit to their employees.

#### Planned Gifting

- Annual Charitable Giving
- A Charitable Bequest in a Will or Living Trust
- A Charitable Remainder Trust
- Beneficiary Designations for IRAs, Pension Plans or Life Insurance Policies

Our parent community has been very supportive and we greatly appreciate your continued financial support to the school. If you, a family member, or friend would like to make a contribution, please complete the form below and return it with your gift to the school office. Please make your check payable to:
